APPRENTICESHIP WORKSHOP

APPRENTICESHIPS ALLOW INDIVIDUALS TO GAIN WORK AND EDUCATIONAL EXPERIENCE IN A SPECIFIC TRADE WHILE STILL GETTING PAID.

- 
- Apprenticeship is a system of training a new generation with a skill on which to build a career
 - Most of the training is done on the job while working for an employer who helps the apprentice learn their trade
 - Classroom education may still be required while still being paid by the employer

**Are you
interested in
completing an
